

SOKOL GxP ACADEMY:

LAUNCHING OUR 2025 PILOT PROGRAM!

SOKOL
GxP Services

Crafting GxP Excellence

About SOKOL GxP:

SOKOL GxP is the Premier Partner for Comprehensive GxP Services. We deliver to our clients a Diverse Workforce that brings Innovative Perspectives and enhances Validation Efforts and Advancement within the Pharmaceutical, Biotech, and Cell Therapy Industries.

About SOKOL GxP Academy:

SOKOL GxP Academy is a training space located in the Somerset Innovation Center at the heart of NJ, conveniently situated on Route 206.

About PILOT Program:

Our Skills-First Approach provides Accessible, Hands-On Training for those eager to enter the Life Sciences Industry.

With **just 20 Slots Available**, participants will have the Unique Opportunity to help **Shape the Future** of our Training Programs.

How It Benefits You:

No Tuition Costs: Completely free training - no financial burden.

Certificate of Completion: Earn a certificate to showcase your skills and boost your resume.

Guaranteed Interview Opportunity: Every participant secures an interview with us.

Although employment cannot be guaranteed, **we're committed to recognizing talent and supporting your professional growth.**

Timeline:

Starts in January 2025, duration 3-4 months.

Applicant Requirements:

- ◆ A strong desire to enter the Life Sciences Industry.
- ◆ No college degree or prior experience in the Life Sciences Industry.
- ◆ Must be able to reliably commute to our training location (23 Orchard Road, Skillman, NJ) for Hands-On Training.
- ◆ Online courses can be completed at your own pace.
- ◆ Weekday availability is required for hands-on training sessions.

**ONLY 20 SLOTS
OPEN FOR 2025!**
