Tue., Mar. 26, Atlantic Cape Community College, Mays Landing*

Fri., May 16 Franklin Elementary School, Newark

8:30AM to 1:30PM

JA Inspire is a **one-of-a-kind career exploration series** for New Jersey students that brings together various industries, companies, and employee volunteer role models to show young people available careers and pathways. JA will engage thousands of middle and high school students, and with your commitment to host interactive tables and share your time with students, they will believe in their boundless potential as they prepare for workplace success.

Be an Exhibitor

- Host an interactive table to engage students in activities that highlight your work.
- Engage volunteers from various areas of the company to speak with students about your industry, company, careers, and pathways. (*For this date: JA staff will also facilitate career skills activities with volunteers acting as table coaches.)
- Provide takeaway items for students.
- Inspire students to consider careers within your company and industry as they plan for their own career pathways.

Be a Sponsor

- Serve as an Exhibitor with volunteers as described above.
- Receive significant branding on all student and educator materials and on-site.
- Expose your company and careers to inspire your potential workforce of the future.
