Mycorra Consulting New Jersey Division on Civil Rights	East Windsor Trenton	Workforce development State Government	There are none. DCR is the state agency charged with enforcing the New Jersey Law Against Discrimination ("LAD"), one of the oldest civil rights statute in the country. The LAD protects all constituents in prohibiting discrimination and bias-based harassment based on many protected classes. In addition DCR enforces the New Jersey Family Leave Act ("NJFLA"), which affords certain employed persons with job protection when utilizing leave and the Fair Chance in Housing Act ("FCHA") which prohibits a housing provider from asking about a rental applicant's criminal history on an initial application or otherwise considering the applicant's criminal history in any way, until after it has made a conditional housing offer to the applicant, with two limited exceptions.
