Workshop Description

Have a basic question about your phone or laptop?

Feeling frustrated trying to save or find a file, or join a Zoom or Microsoft Teams meeting?

We're here to help!

Simple Tech is an open lab where CLTC Program Coordinators will be available via Microsoft Teams to provide one-on-one assistance with everyday technology questions.

This is not a formal class—just open time for you to drop in, ask questions, and get help with simple tech challenges you may be experiencing.
